

My
Going to School
Book

Now that I'm a big kid, I'm
ready to go to school.

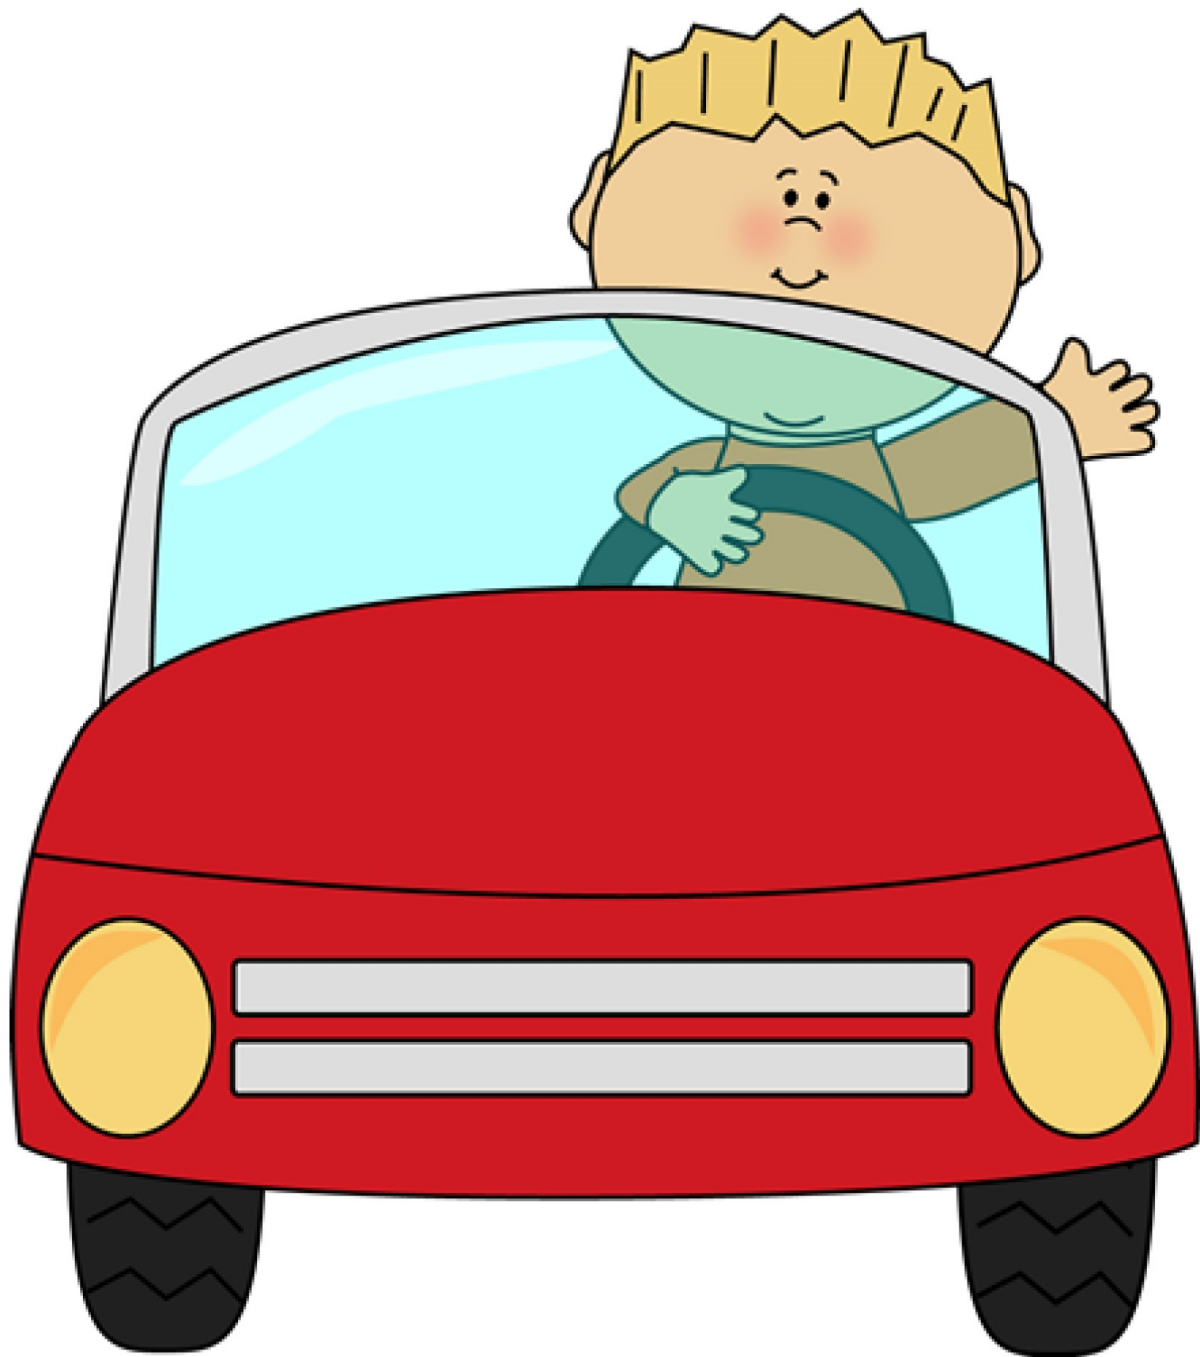

The night before school I help
pack my backpack with all the
things I'll need, and I get a good
night's sleep.

In the morning, I get ready for school. I put on my clothes, eat a healthy breakfast, brush my teeth, and fix my hair.

Before we leave, I use the restroom and wash my hands.

I hop in the car and a grown-up
drives me to school.

This is what my school looks like.

It's called The Learning Tree.

**When we pull up to the door,
I put on my mask, and
Mrs. Stacy helps me get out of
the car.**

**Mrs. Stacy normally looks like
this,**

**but when I see her at school,
she looks like this.**

**She's wearing a mask to protect
me from getting sick. Mrs. Stacy
wears her mask because she
cares about me.**

**Mrs. Stacy asks my grown-up if
I've been feeling okay lately,
and then she takes me to see
Mrs. Touchstone and
Mrs. Mitchell.**

**Mrs. Touchstone and Mrs.
Mitchell look like this most
of the time,**

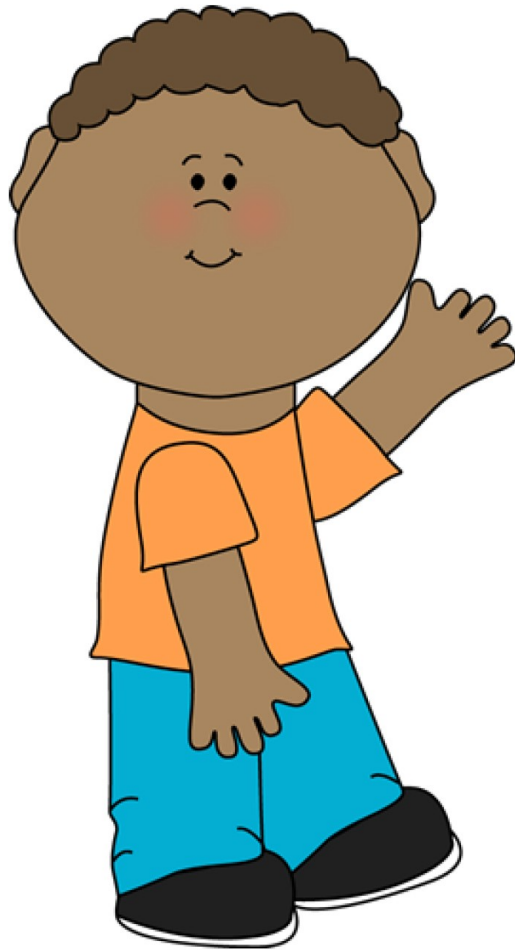

but when I get to school, they look like this. They're wearing masks because they care about me too and want me to stay healthy.

They take my temperature with a super duper, hi-tech laser beam thermometer.

It's really cool!

Then, I wave goodbye to my family and go into school.

If I'm feeling a little sad, I remember that my grown-ups always come back, and I'll see them soon.

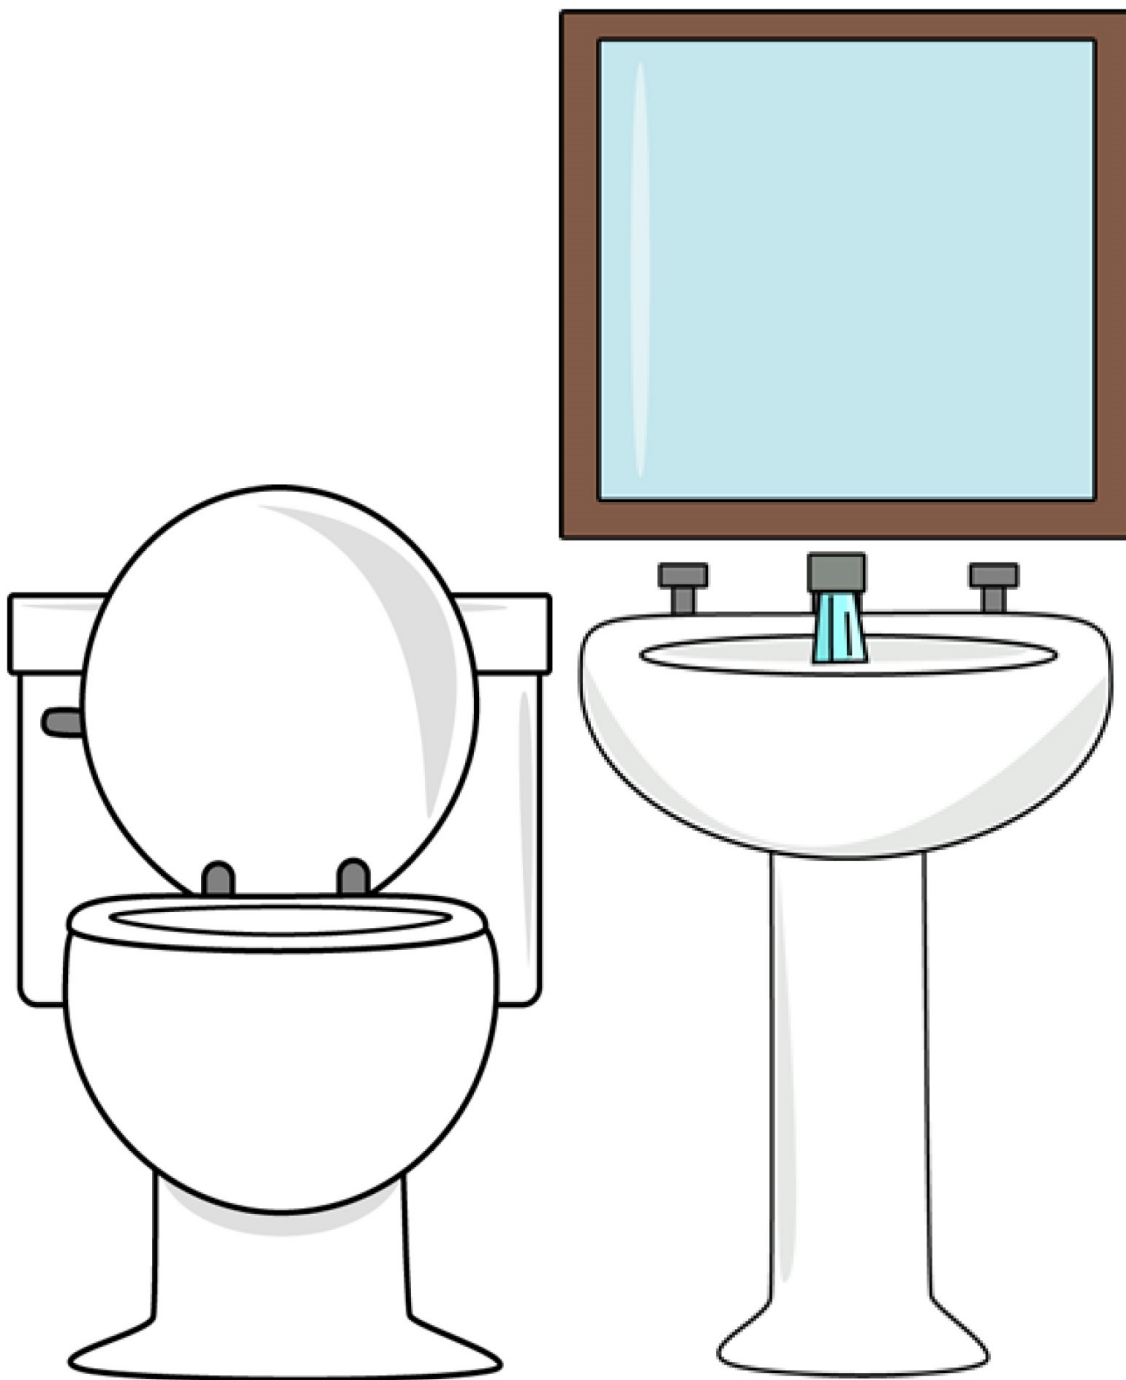

Inside, Mrs. Wheeler and Mrs. Marchese are waiting for me with my friends.

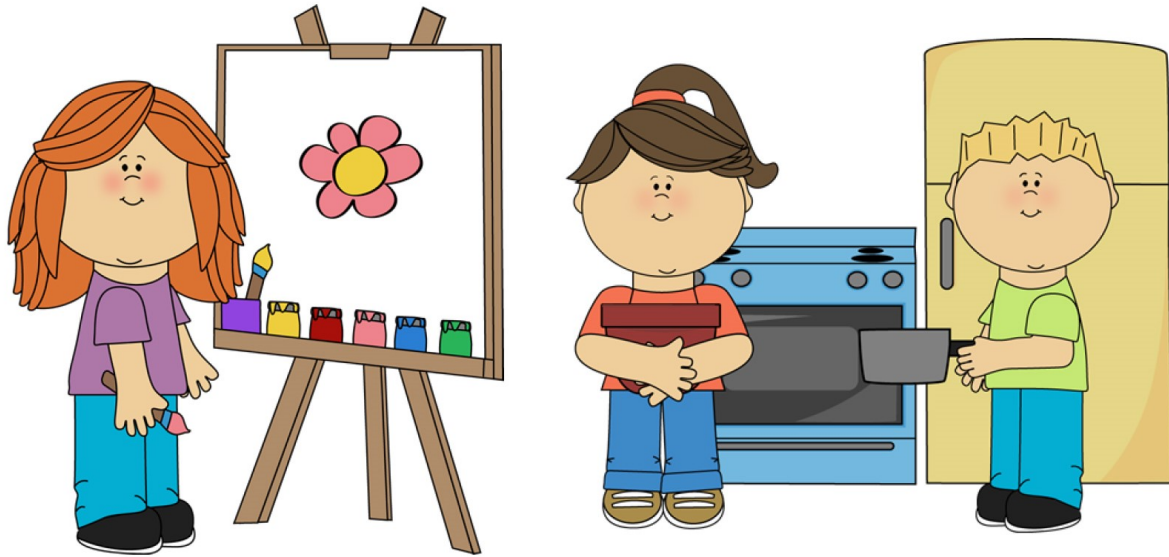

Just like me, they're wearing masks, too. We match!

I use the restroom again (just to be sure) and wash my hands one more time, so my home germs don't come to school.

When all my friends have
arrived, we go to the classroom
for a fun day together!

I love learning at
The Learning Tree,

and I can't wait to go back
again next time!
